

11th Moebius Conference

Arnold Sherman was a presenter at the 11th Moebius Conference held in Bethesda on July 20, 2014. Arnie spoke about the use of trusts as a financial planning tool for children with special needs.

Arnie is a member of the firm's Estate Planning, Estate & Trust Administration and Tax practice groups. The Moebius Syndrome Foundation is an organization dedicated to providing information, support and networking for people affected by Moebius Syndrome, a rare neurological condition. For more information about their conferences, visit their website.
