

Four Paley Rothman Attorneys Selected for 2011 Edition of The Best Lawyers of America

Glenn Cooper, Hope Eastman, Daniel Hodin and Linda Schwartz were chosen by their legal peers as 2011 Washington, D.C. "Best Lawyers," which for more than a quarter century has been regarded as the definitive guide to legal excellence in the United States.

Selection to "Best Lawyers" is based on the results of an extensive survey consisting of close to three million evaluations by the country's top attorneys. Glenn was chosen in the "Family Law" category, Linda and Daniel were recognized in "Real Estate Law" while Hope was selected in "Labor and Employment Law."
