

Paley Rothman Employees Volunteer at Shepherd's Table

In their continuing effort to give back to the community, a number of Paley Rothman people volunteer at Shepherd's Table, a Silver Spring-based nonprofit organization that has provided aid to the homeless or those in need for 30 years.

Initiated years ago by attorney Trish Weaver, and now led by staff member **Lois Moore**, this corporate commitment brings both attorneys and support staff from the firm to the facility each month to help feed the homeless and impoverished members of the community. In conjunction with Shepherd's Table 30th Anniversary, a "Thanks A Million" fundraising project is taking place.
