

Three Paley Rothman Attorneys Included in Bethesda Magazine’s “Top Divorce Lawyers”

Three of the firm’s Family Law attorneys – Glenn Cooper, Howard Soypher (former Principal) and Bibi Berry (former Principal)– were included in the May/June 2010 Bethesda Magazine “Top Divorce Lawyers” article.

Based on interviews with more than 50 full time divorce lawyers, Glenn was chosen—and Howard was mentioned—among the top 25 who practice primarily in Montgomery County. Bibi (former Principal) was among only 11 divorce attorneys to receive “Honorable Mention” recognition which was limited to those who “get positive reviews from peers.”
